RIDE PARTIES

Your Birthday Party, Family Event, Business Offsite and other occasions become even more special at Royal Horseshoe Farm!

Children and Adults have a great time at our ride party events. When you schedule a ride party with us (a trail ride, pony ride or even gift certificates for a future lesson or trail ride), in addition to your riding experience, you can also rent our recreation building / area for just another \$150 (for up to 4 hours). That gives you a terrific party place with a pool table, foosball table, ping-pong table, piano, large indoor heated (fuel surcharge during heating months) pool with a diving board, racquetball / basketball / volleyball court, a dining area and a kitchen with stove, oven, microwave and a fridge. In addition, there are outdoor picnic tables, a horseshoe pit, gazebo and a propane grill to use!

HISTORICAL HORSE FARM

Royal Horseshoe Farm has a 270 year history, including the oldest house in Warren County, visits by George Washington (the first in 1748, at age 16 while surveying for Lord Fairfax), ownership by John Marshall (Chief Justice of the U.S. Supreme Court 1801-1835) and action during the Civil War. You can ride past a cannon emplacement that guarded Morgan's Ford on the Shenandoah River.

In the early 1900's, the farm provided horses to the Front Royal Remount Center (U.S. Cavalry). Our historic barns have been carefully renovated, preserving much of the old character and construction.
